VENUE

Auditorium of P.G Institute
SWASTHIYOG PRATISHTHAN, MIRAJ.

Dear Students,

We are pleased to announce the 23rd Annual PG Course in Miraj.

We invite you to be part of the academic sessions held for postgraduate students in Orthopaedic surgery. Each of our faculty members are renowned in their field of work, not just as surgeons but also as great academicians and teachers.

As usual, our focus in this course will remain on case presentations and demonstrations rather than didactic lectures. We have ample time for discussion, and a great opportunity to have the faculty member clear all your doubts. We encourage you all to present as many cases as possible.

Looking forward to seeing you in September!

Dr. Sujay Kulkarni
